*I didn't think I could learn much from an online course—especially cultural diversity. **Terri S.***

About the Faculty

Our program provides you with the competence, confidence, and credentials you need. Our staff of accomplished professionals has more than 35 combined years of managing diversity, providing excellent training and contributing to the development of our profession. A recent eWorks.com benchmark study report showed that DTUI.com outperforms competitors in customer service and quality of services (see below). We have advanced degrees, a number of published books, diversity leadership experience within organizations, and certified speaking skills.

*I learned at my own pace, but was able to keep up with the class. **Steven L.***
